

Poland Village Council

Streets, Sidewalks, and Drainage Committee Minutes

April 17th, 2018 – 6:30 P.M.

Attendees: Mr. Anthony Lattanzio, Chairperson
Mr. Samuel Moffie, Member of Council
Mrs. Christine Yash, Member of Council
Mr. Russ Beatty, Street Commissioner

Commissioner Beatty began discussing a new rainy day project for the Street Department which will be refurbishing our 1976 Ford generator truck.

The recent weather conditions have made it difficult to fill pot holes with hot patch, but continuous effort will be made as conditions permit.

Commissioner Beatty presented three quotes for the collapsed storm sewer project along State Routes 170 and 224 near Town One Plaza. The quotes were from Marucci & Gaffney Excavating Company, Rudzik Excavating, and L&S Excavating and Trucking, Inc. Upon review by the committee, it was advised that authorization be granted to the Mayor to enter into a contract with Marucci & Gaffney Excavating Company. A motion was made later during the Village Council meeting.
