Meeting called to order by Tim Sicafuse at 7:03 PM

Bob and guests from AFRPE, Inc. Came to propose a North High Brewery restaurant/brewery behind the library. AFRPE members have been here 13 times since November 22 researching Poland and the surrounding communities for investment opportunities.

The owner of North High Brewery is originally from Austintown. The group presented drawings and the concept. Said Pace financing would be involved as well as possibly requiring a liquor permit. One of the group members mentioned that breweries are exempt from permits because of manufacturing.

Group was basically there to present the idea and get interest level from planning. Would come present before council in the future.

Meeting adjourned at 8:00 PM Motion by Tim Sicafuse, second by Rex Fisher.
